

Interested in Becoming a Member of the ICCA Board of Directors?

Applicants must be an ICCA member in good standing and be willing to participate actively on the Board of Directors by attending all Board meetings, committing to responsibilities, participating on the committees, and representing the ICCA as needed. Please mail or e-mail the application to Joanna Enoch at the address listed below. Your application must be post marked by January 27, 2011. From these applications, the ICCA Board of Directors will slate nominations to be presented at the 2011 Coaches Conference. Applicants not slated may be nominated from the floor before the election.

Membership on the ICCA Board of Directors is a large time commitment. Attendance at all Board meetings is mandatory. These meetings are always held in the central region of the state, which may call for travel, depending on what part of the state you reside. Time commitments vary based on the position; however, our Board of Directors is a cohesive team and Board members are required to assist to ensure the success of the ICCA Board of Directors and all ICCA events. Failure to attend meetings or participate on the Board may be cause for removal from the Board of Directors.

If you are not slated for a position on our Board of Directors, we will keep your application for consideration of appoint positions such as Region Delegates and Committee Memberships. These positions are important, non-voting members of our Board of Directors who provide assistance to the Board and allow more people to be actively involved in ICCA. This is a wonderful opportunity for people to become familiar with the Board before becoming a Director.
